

February 2025

Dear Friend of OBOG,

After several very chaotic years, the Old Boys & Girls Reunion Committee is back on track and busy planning for the 2025 event! Our committee has listened to many ideas and suggestions and is constantly brainstorming new, fresh ideas to keep the traditions of years passed and help this iconic event continue to grow for generations to come.

Large reunions like this require much coordination, time and funding. We are blessed with a dedicated group of volunteers who are leading the planning phase and are always looking for more people who wish to get involved. We are pleased to be continuing community centered methods of partnership for the 2025 event to help everyone get involved! These partnerships will not only ensure a successful reunion but will showcase our amazing local businesses and help everyone feel like they are a part of one of the longest running festivals in the state of Illinois!

We understand that everyone's budget is unique and some allow more flexibility than others. Keeping that in mind, we wanted to create a simple, one-time, sponsorship option that carries lasting benefits throughout the next year leading up to the 2025 reunion.

Enclosed is a detailed description of the sponsorship opportunities available for this special occasion. We would love for your business, organization or family to be a part of this journey with us and make the 2025 Old Boys & Girls Reunion one we never forget!

Thank you for your consideration and supporting this event that has touched our community for over a century! If you have any questions or would like to discuss other ways to get involved, please feel free to reach out.

With Warmest Regards,

A handwritten signature in blue ink that reads "Katie Canada".
